## RECENT TESTIMONIALS

*"Hey Belinda and Teena,*

*We just wanted to say a huge thank you for all of your efforts for our function on Sunday. The new outdoor area with the kids' outdoor play space, added to that the games on the lawn were just perfect for our function. What you delivered was beyond our wildest expectations. Every teacher, parent and student that attended, commented about how beautiful the space was and more importantly, how incredible the staff were. Most of the parents started to realise 4 hours later they hadn't seen their children because they were too busy having fun. Kim's youngest son lasted until 7.30pm and was asleep before we left your driveway. A testament to this was the fact that we couldn't get people to leave and were trying to shuffle them out at 7.30pm. The whole team should be so proud of what you are delivering at this hotel. The lovely gentleman serving the drinks never made anything too much. It was the perfect afternoon in every way and a much needed one for so many who have been affected by covid and the floods. This event was a private event which we had to carry some risk with. Belinda and Teena, you really made us feel so confident in this event from day one. We could not have done it without you guys. Kenny was also incredible. Every time I asked a question I would turn around and he could deliver. Here's to more ideas for more functions in the future. We certainly will be spreading the word.*

*Kind Regards Sharon and Kim" March 2022*

I needed to have a business meeting and my associate chose this fine establishment to meet me. The Lady on reception was friendly, attentive to our needs and most accommodating. We had lunch in the restaurant which was lovely. Across the board, service and quality were of an excellent standard and the conference and meeting room was everything we could have wished for. I will be happy to return and also direct clients and contacts I need to meet to take the short drive out to this excellent venue. I was very impressed and most grateful for the consideration shown to me and my visiting associate. Thank you!
